

LZ3 LOUNGE CHAIR

The LZ Lounge Chair is a winner of the 2018 Good Design Award by The Chicago Athenaeum Museum of Architecture and Design and Metropolitan Arts Press Ltd. The LZ3 Chair is made on the same frame as our LZ1 and LZ2 lounge chairs. Natural tanned leather is sealed and then wrapped around the steel frame and then cinched with a corset-style tie using waxed cotton lace. The back of the chair is made of woven cotton rope to create a supportive, yet comfortable lounging experience. The arms are finished with Red Birch accents. This LZ3 is shown on a custom-colored, light blue frame.
