

## LZ1 LOUNGE CHAIR BRASS FRAME

The LZ Lounge Chair is a winner of the 2018 Good Design Award by The Chicago Athenaeum Museum of Architecture and Design and Metropolitan Arts Press Ltd. The LZ1 Chair has good presence, but we kept its profile slim and airy while also using a slightly canted angle. Hand-Dyed tanned leather is wrapped around the brass-coated steel frame and then cinched with a corset-style tie using waxed cotton lace. The arms are finished with walnut accents. The LZ1 is shown here is in Oxblood leather on a brass frame.
